We will have a special sports and healthy schools edition next week so look out for photographs of Sports Day then.

We had a special guest, Alex Williams MBE, from Manchester City, who is always a welcome visitor to Millwood. See the photographs. It is not often you see a City goalkeeper letting in so many goals!

Please vote for Millwood in the Bury Sports Awards (see page 7)

**Whitelow 1** This week we enjoyed participating in all the exciting events during Sports Day. We have been busy designing and decorating our pretty pebbles. We are excited to see our pebbles on our special pathway.

**Whitelow 2** Phew! What a busy week it has been! We have run, jumped and thrown in Sports Day, harvested our peas in the garden, learned about emotions with Peppa Pig and fed the water birds - their babies are looking really grown up now. Everyone has worked beautifully and we have found time to enjoy each other's company too.

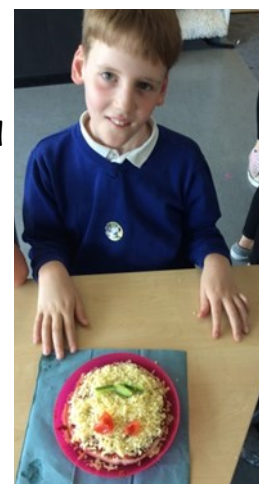

**Redvales 1** have had a busy week! We all really enjoyed Sports Day and tried our hardest. Back in class we have all done some lovely work designing and painting pebbles for a school project. We chose our colours

and our tools then decorated them. They turned out beautifully.

**Redvales 2** We have had a very busy week! Everyone in Redvales 2 had a fantastic Sports Day! We are so proud of all the children and their achievements. We have also enjoyed our visit to Asda! We had a pizza hunt and selected toppings for our chosen pizza—yummy!

**Redvales 3** have been very busy this week! We enjoyed our Sports Day and we were all great team players! In English we did some super writing about Sports Day, using the past tense. In Maths we have been looking at partitioning 2 digit, 3 digit and even 4 digit numbers! In Geography we have been looking at the food and culture in Italy and we all enjoyed making some delicious pizzas. We have been really trying to be independent this week, dressing and undressing ourselves and knowing how to ask for help from a friend if we need it.

**Redvales 4** This week we have had an amazing Sports Day where every single member of R4 put their all into every activity. The staff team are so very proud of them. We have painted pebbles, made pizzas, made cards and carried on learning to count in 2s, 5s and 10s. We have also been practising hard for our Lowry performance on 27th June and we really hope you will be able to come and watch.

**Redvales 5** have had a fantastic week! We all tried so hard at Sports Day and had so much fun. Redvales 5 also worked hard being games leaders in the morning session showing people how to complete the activity and cheering everybody on!

**Redvales 6** have had a wonderful

week! We loved designing and decorating pebbles for our pebble path and creating some scrumptious Father's Day goodies. We hope you like them! On Tuesday, the children enjoyed Sports Day. It was lovely to see so many supportive parents and carers there.

**Irwell 1** have been being very healthy this week. We loved exercising all our muscles during Sports Day, it was lots of fun! We have also been practising taking care of our bodies by brushing our teeth and washing our hands. We have tasted lots of different healthy foods including lots of fresh fruits and vegetables.

**Irwell 2** We have been busy learning how to count in a fun way

with Numicon songs and shapes and showing our sporting talents during whole school Sports Day!

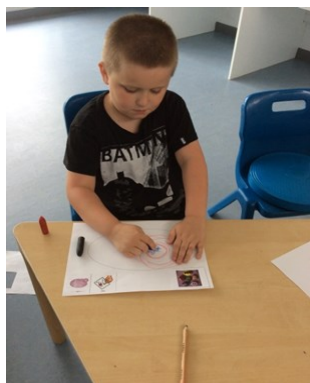

**Irwell 3** This week in Art Irwell 3 have been designing and painting the pebbles to create our Millwood display. We had great fun looking at existing designs to choose which we liked and then we created some of our own. Our designs were fantastic

**Irwell 5** This week we have been doing lots of work on using and applying in maths. We have been using a tally system to help us to count and we recorded the data in graph form.

and we really worked hard, we are looking forward to seeing the final results.

**Irwell 4** worked so hard on Sports Day showing good teamwork and determination.

**Irwell 6** has had the best week for Sports! An amazing Sports day has dominated our week and every single member of our class has shown us determination, excellence and inspiration. It was so wonderful to see so many of our parents there to cheer us on.

In class we have continued using numicon to do more and less in class. We have also started making our own bags in design and technology and designed and painted our pebbles in our art lesson.

Best wishes
